Subject: Confiscated Dogs

Dear Mr Lottering

Re our telephone conversation earlier, I was instructed to get your response in writing regarding the below:

When are you going back to the United States

Who will be taking care (including feeding, watering, cleaning, veterinary treatment when needed) of the dogs, should they be returned to you, during the time you are out of country. We require their names, surnames and contact information

Will the property be occupied if the dogs are returned i.e. the dogs need human interaction daily and not just every other day.

NB. You have until tomorrow morning 10AM, 9 April 2025, to respond to the above. Failure to do so will constitute as a disinterest from your regarding the dogs.
