Street:	
Suburb:	MANENBERG
Postal Code:	7764
Date:	2025-04-15
Time:	12:03
Inspector:	WERNER TALJAARD

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	I read the notes and reports on the case: The horses are stabled at night and placed in the field to graze during the day. They are in good condition, and there are trees in the field. the water gets given to the horses but they don't leave the bins on the field as the bins get stolen. In my opinion, the case can be closed nfa
