Building:	
Street:	38 PARK AVENUE
Suburb:	SCOTTSDENE
Postal Code:	7570
Date:	2025-04-03
Time:	12:50
Inspector:	JASON PAGE

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	After reviewing the case I found that upon the last inspection, we did not have any welfare concerns. The dog was walking fine and the discussion was that should the dog start limping again, that the owner would surrender her to the SPCA. This had been done, which now we do not have any welfare concerns and therefore, the matter to be considered closed.
