Subject: CoGH SPCA - Complaints from Maureen Beukes

Hi All,

Please see the below complaints from Maureen Beukes on Facebook:

I just want to know ..The SPCA has been called numerous times by different neighbour's in our street about the lady across the road from us who has 4 Great Danes on her property..the one had puppies last year .The property is so small for those dogs so when they get out ,they run wild .It is so sad to see .I am disgusted that nothing gets done .It stinks you can smell it from our property.

Hi Maureen,

Thanks for contacting us. Please send us your phone number and the address of where the animals are being kept. We will send you details to the Inspectorate and they will make contact with you .

Regards,

The SPCA Team.

You guys have been here many times and nothing is done .We try to speak to 2 of your ladies that did the inspection but they told us to go .I am very disgusted as we are living here for 40 years and never had a problem. My number is 084 356 8667 and my addresses 17 setlaars Street Bothasig

We are so sorry that you experienced this, Maureen.

We will forward your complaint to the Inspectorate .

Do you by any chance have any reference numbers relating to this case?

Regards,

The SPCA Team.
