Just an estimate of what It is costing per week. Tammy did not communicate with me at all!. i have screenshot this and will endeavor to report it to Legal Aid ,the mayor,and Premier of what is happening at the SPCA. Good day, Sandy. I have added your correspondence onto the case for the inspector to see/hear. I unfortunately cannot communicate anything regarding the case with you. Therefore how can you be of assistance. Kindly make quite clear the SPCA,may let me know when it is convenient for one of your vets to come through and inspect Hope. I will give my full cooperation in availing myself. I trust this is acceptable. We, unfortunately do not have mobile vets that can come to your property to assess your animals. Please take your animals to your closest organisation to be seen by a vet. Please i want to be present. I thank you for conveying the message to Nicole. I have no transport. And i am unable to uber Great danes. I really have tried to co-operate. Good evening.
