Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-04-11
Comments:	Warrant granted by Magistrate AC Priccils. He was skeptical and didn't want us to take the dogs and pts them. I expalined the ethics committee and that we have vets but eventually called Chief who reassured him. The magistrate wants feedback on the dogs. After wards, I went to Bothasig SAPS but they are unable to assist today. I will have to come back tomorrow morning as there will be a full shift. Warrant to be executed tomorrow morning.
