| Comments:       | <p>The female dog, Hope, was taken to the specialist veterinarian this morning. She will get her eye surgery today and should return to the SPCA today . Boaz, Campion and Francis was sterrilized yesterday.</p> <p>Campion and Francis will be taken home today. Only after they go to their new home, will Boaz and Hope be returned.</p> <p>I spoke to Gillian and advised her of the above. I further told her that the surgery is R4000 and that Hope will have to come back for a follow up after 10days of the surgery. She will then also be sterilized.</p> <p>Campion and Francis to please be RTO'd today.</p> |
