Comments:	I called Mr William Veale, 0678634094, and he confirmed that they had made a shelter for the dogs and they had bought shampoo to wash the dogs with. He said they still seem to have a problem with the fleas. I told that we need a photonof the shampoo that they are using and also a photo of the shelter. I have asked Control to send him our WhatsApp number. And the name Karba-Dust for the fleas
