Inspector:	WERNER TALJAARD
Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-04-24
Comments:	Inspector Lwazi to go back to the farm holding and find out the following facts: 1. What are the pigs doing on the property are they being sold ? 2. The warning that was issued gave the owner two months to clean, we need to find out why the owner did not comply. 3. Another warning must be issued to clean the living area within 2 weeks or the owner must create a space that is clean for the pigs to stay in a separate kraal.
