Suburb:	LENTEGEUR
Postal Code:	7789

Inspector:	NICOLE VENTER

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-04-28
Comments:	Please can this case now be allocated to the area inspector for final follow up. During their follow up inspection, they must please try convince Mogomat to provide the contact details of the tortoise and pigeon supplier (the tortoise supplier needs to be reported to Cape Nature and the pigeon supplier must be inspected because the pigeon with a compromised claw was left without treatment). However, if he keeps insisiting that he doesn't have the contact details, we don't have the capacity to keep this case open just to try and get such. Please can the area inspector follow up on this shop and close the case if possible and if there are no other concerns.
