Time:	16:29
Inspector:	NICOLE VENTER

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-04-11
Comments:	I forgot to include this facility in my inspection schedule for this week. On Friday, I plan on doing the airports as well as at least 3 security companies. On my way back to base, I will go past this pet shop and hopefully there is still full compliance and I can finally close the case off .
