Hi Jaco

The case above with the admission numbers attached to it is about 2 dogs that we collected in the beginning of March but the owner came to claim them within the period. I know one of the dogs were euthanized due to its condition and the other is still with us.

The owner called control earlier and said she is opting to surrender the remaining dog. I then called her back to confirm this. I called her at approximately 15:00 on 066 558 5727 using the landline. I you could possibly pull the recording so that we have record of it, unless it's not necessary.

@Keagan Wolfaardt - Cape of Good Hope SPCA I believe you can now proceed with the way forward for the dog as our case is closed and no further action required. Please let me know if there is anything else that you need from me.
