| Follow-Up Date: | 2025-04-22                                                                                                                                                                                                                                                                                                                     |
| Comments:       | This is not an urgent case as we did not find any contravention of the APA upon our previous inspection . We are inundated with cases over the weekend, I think instead of sending an inspector to follow up, we should send the owner a message/ email/ WhatsApp message asking her if she took the dog for its vaccinations. |
