Comments:	I discussed this case with Sen. Insp. Emma for an update and she said the last the owner was here about 2 weeks ago and was told her will not be getting his horse back and he did not want to surrender the horse either. The owner just turned around and left. Sen. Insp. Emma then said this case is dependant on the vet's report but there was some confusion regarding it? She said we will have to check with Mark when he is back if Dr Kate got the correct report etc. Mark will only be back in office in next week so I will get an update from him then .
