The person who attended to my call was beyond comprehension..in that he accused me of being "under the weather". I'm completely and utterly disappointed with the SPCA and your continued refusal to address my concerns . Today was yet another complaint against the owners and the fact the gate was left open and all the dogs on the property RAN! INCLUDING THE 4 PUPPIES I SAW. Kind Regards Megan Morton Riyaadh Salie 2025-04-20 16:22
