Your case reference number is INSP: 214301 An inspector did come to the property, i do not know what the outcome was because i wasnt home at the time. My reason for contacting again is today the 2 dogs broke loose and attacked eachother again. The 1 dog was badly injured during the fight, the dogs wher beaten with sticks and bricks and 1 dog was chocked this to try and seperate them. The badly injured dog has a wound to his eye, no attempt was made to get any medical assistance for him. I am really worried about the welfare of these animals. I ask that a visit to premises PLEASE be done.
