Follow-Up Date:	2025-04-14
Comments:	At approximately 15h23, I have called and spoken with the owner of the dog, she told me that the dog is receiving the treatment at AACL Epping, she mentioned that they will be fetching the dog on Friday. As I have called AACL before to verify what I was told by the owner, and I was told that by AACL that they cannot pick the details of the owner on their system, I advised her to send all the proof of the veterinarian via SPCA WhatsApp no, she agreed and promised me to send all the evidence as soon as possible.
