Comments:	I went to AACL Bellville and met with the receptionist. She checked their system and told me that the onwer was only there on the 25th of last month and did not come back for the follow up. I phoned and spoke to Kevin. I informed him that according to AACL system, he did not bring the dog back for the follow up. I asked him for proof that the dog was taken back for a follow but he claimed that he threw the slips in the bin yesterday. When I aksed him if he can't take it out of the bin, he told me that he can't and that he think the dirt truck already collected the bins. I think that we must apply for a warrant
