Type:	CALL RECORD - MADE
Follow-Up Date:	2025-04-08
Comments:	I called the neighbor, who was very surprised that there had been a concern raised over this dog/owner. She told me that he had had a previous dog, for over 12 years and the dog passed away last year. She is available to go with me to the respondent, next week. So I made a tentative arrangement for next week Tuesday.
