Good day Roxanne

Please would you guys inspect the situation.

The owner called Amber Smith called SPCA and asked for assistance with collecting her sick dog as surrender. The dog was said to have bad mange and also was said to be weak. Upon the arrival of the collection officer , the owner was not coming out at the property , the driver proceeded to call her which is when she stated that she has changed her mind and she does not want to surrender her dog anymore.

The collection officer did not see the condition of the dog as the owner was not home at the time .
Please would your inspectors follow up.

Address : 50 Kiaat road Bonteheuwel
