Subject: Report of Man posing as a mobile vet

Goodday.

I have called in and spoken to Riaan regarding a man that is posing as a mobile vet. He came to see us on Saturday to see to our sick dog. This morning Monday 31 March 2025 we have had to put our dog down due to the medication he administered being too strong and / or expired. The AWS is aware of this man and is looking for further information in order to locate him. They have had numerous cases similar to mine all after this man seeing to the animals.

Please see his number below and picture from his whatsapp profile. He goes by the name of Shaheem.
+27 73 398 3024

Please do keep a lookout for him and please let me know if you find anything as I would like to lay charges against this man.

Thanks and kind regards

Ryan Vicars
