Comments: Mr. Tandekile Maqabayi arrived at the SPCA accompanied by a Member of Parliament, representing the property owner. I asked the owner why there were so many dogs on the premises. He responded that only four of the dogs and the chickens belonged to him, and that the remaining dogs were owned by his friends.

I informed the owner that he must complete an affidavit detailing which dogs belong to him and submit it to the SPCA as proof of ownership. The owner agreed and stated that he would complete the affidavit today and bring it in.

I also spoke to Lwazi and asked him if he wants to lay charges but he does not feel comfortable opening a case.

we have to discuss the matter with the chief on the way forward
