Comments:	I called Abongile on 079 441 7559 twice, but both times the service provider stated that the number has been disconnected. I then called Dimpho (his girlfriend) and asked to speak to Abongile. Dimpho said he was already at work. I asked if she confirmed when they found the dog dead and she stated that she didn't. I then asked what time Abongile gets home from work so that I could speak to him on her phone . She told me Abongile would be home from work between 20:00 and 20:30. I will call using Telviva tonight to get more details on the dog's death. After that, I will discuss the case with Jason so that he can decide if a final inspection must be condutcted in a month's time.
