Subject:

Good day

On Saturday the 15 of March 2025 two dogs were stabbed at 319 Oystercatcher Road, Pelikan Park.

The dogs were subsequently brought into your clinic for treatment but one of the dogs was pts due to its injuries. The dog in question is a Pitbul x, white/brown. I would like to ask if your attending veterinarian can provide the SPCA with a veterinary report so that we may investigate the matter further .
