Inspector:	JULIAN VAN DER ZANDT

Type:	CALL RECORD - MADE
Follow-Up Date:	2025-05-23
Comments:	I called the owner to find out if anyone is home and he said no. No one is there during the day. I asked him to send pictures of the dog and he said that he would. I also called TAH Rosmead Avenue and they confirmed the dog was there but no follow up visit was required. Once I receive the pictures I will attach them to the case but I think the matter may be finalized after the pictures are received.
