Hi Paula

Feedback to 28 Frere Avenue, Table View
Upon my arrival, I observed a Boerboel dog that appeared to be elderly but still in fair condition. The dog was roaming freely on the right side of the house. The available space seemed adequate, estimated at approximately 2 meters by 12 meters.
A wooden shelter had been provided for the dog, along with clean water. The overall living environment appeared clean and acceptable. No contraventions in terms of the Animals Protection Act were observed during the inspector's final visit.
Kind regards,
MAGDALENE MARSHALL 2025-05-07 16:57
