Comments:	I sent an email to the veterinarians requesting the vet report. Good day all, Happy Friday! I hope you are all well. May we please have feedback regarding two veterinary reports for two separate cases. INSP215797 (as per below email) The dog came in on the 27th of April 2025 from Lotus River under admission number A59817. This dog also had an imbedded collar around his neck. INSP216175 Inspector Ayanda brought the dog (Storm - German Shepard X - Male - Poor condition) on the 09th of May. Any feedback in this regard will be greatly appreciated. Thanking you in advance.
