The inspector needs to drive to the health fort doctors at 45 Erica road table view (see photo attached.) and park there.

Then there is a pathway behind the healthfort center - it is a pedestrian walkway. Half way up the walkway is where these people live. He will see all the tents. (see map screenshot. The pathway connects from the health fort doctors to the BP garage) Red line is the pathway in screenshot , blue circle is where they all are.

Probably best the person going does not go alone.

If you need any further info or for me to guide them there you can call me on 084 460 3002.

Regards

Megan
