Inspector:	LWAZI NTUNGELE

Type:	CALL RECORD - MADE
Follow-Up Date:	2025-05-20
Comments:	The owner sent me proof of seeking veterinary treatment via WhatsApp and informed me that the dog was negative but needs to follow-up today for some injections again. I called up helderberg animal hospital for confirmation and they informed me that the dog had a high temperature and CD test was negative which they gave antibiotics and injections to the dog and advised owner to return Friday for another check up, I'll follow-up on Tuesday again
