General Report Comments: Upon arrival, the owner came out. I explained the reason for my visit and that it was regarding the living environment being full of faeces.

There was still accumulated faeces in the living environment that needed to be cleaned up.

I told him that I had left a notice on the gate and he said he never saw it. I did not issue another notice but explained to the owner that the faeces must be cleaned up and maintained daily.

I will follow up next week to do the final check.
