General Report Comments: Upon arrival, I spoke with the owner who told me that she had just sent her brother to get dog food and also food for them to eat as they didn't have any.

The owner says that she is the only one working and it has been very difficult to ensure the dogs have enough food. The dogs are all underweight, I believe it may be the lack of food and not a veterinary concern. The dogs have also been dewormed.

I will follow up in two weeks again to check on the weight progress of the dogs.
