General Report Comments: Jurie granted me access. I introduced myself and stated my reason for being there. He told me that they don't have dogs only cats.

I observed the two DSH cats with access to adequate shelter, water and a clean living environment.

Jurie told me that the only other unit that has long hair dogs in number 3. I went there and met Mr Stephan Marais, who was very upset at my presence but still granted me access. They have maltese poodle and a cross breed dog of which neither of them are matted. They are good condition with access to adequate shelter, water and a clean living environment too. MR Marais demanded my details as well as the complainant, I gave him the case number and told him he can contact the spca and complain.

I called the complainant and my call went to voice-mail.

No further action required.
