CHECKLISTS

General Report Comments: Ever since I have spoken with the owner, he contacted me, then i decided to go to the property. On my arrival, I found no one at the property, and i didn't see the dogs, it is my belief that they were still inside the house.

I tried to call the given cellphone at approximately 09h00, however, it rang with no answer. I wanted to know from the owner if he was still interested on the sterilization, but it seems as if the owner is not ready for sterilization.

I would like the case to be referred to our Law Enforcement officers to issue a compliance notice for sterilization.
