General Report Comments: Upon Arrival I met with the owner Mr Titus who had informed that tears discharged his dog because the dog could walk and also gave him
Meds to treat the back leg hip injury he said this was mid march and that the dog was recovering
The dog in question was his white Boerboel
White in colour with the painfull right hip and leg there's progress with it
Dog did not have adequate shelter
Also owner mentioned yesterday when tears came, he thought that they had sterilized his dog
Already .

I issued a notice to comply for shelter to be provided by the 16 May 2025
Area inspector to check what treatment tears gave for the Boerboel leg
