General Report Comments: It was drizzling at the time of my inspection. The dog was lying on the front porch, by the front door. I saw a kennel on the property but it was on the other side of the wooden fence.

The door bell does not appear to be working. I knocked on the gate and metal fence but there was no response. There was a black Toyota Ayga, with registration CR3020 parked in the driveway, same as Friday.

I attached a 24hr warning notice to the gate, requesting the homeowner to contact us regarding the Animal(s) in their custody, possession and or care.
