General Report Comments: Upon arrival, I shouted and knocked multiple times but no one responded.

I saw the two boerboels in question and the one appeared to still have wounds underneath its neck. The dogs also appear to be slightly underweight. The living environment appeared to be clean. I could also hear another dog at the back of the property.

I issued a notice to:

1. Provide proof you have taken your two dogs to a veterinary clinic within 24 hours.
2. Contact the SPCA on 0217004158/9 or 0833261604 within 24 hours.

I stuck the notice to the gate.
