General Report Comments: Mr Alec William's let insp Nicole and Cadette Nakita on to the property where he said that the dogs that remained on the property were his and his father's and mentioned that Mikail was a friend and tenant. The dogs were in good condition and the living conditions are good too. Insp Nicole noticed a angulated tortoise. We asked for the permit and explained the reason for it and they said there was not one and that Mikail had rescued it from some children. The male tortoise was surrendered to us.
