CHECKLISTS

General Report Comments: Upon arrival at the property I couldn't gain access into the property unfortunately as the securities informed me that I need a access key from someone living in the property. I called the complainant which turned out to be Roxanne from AACL epping, who told me that she also got secondary information by a gut named randy who apparently lives in the estate. Randy 0823175709 and it was not being answered, I'll try again tomorrow
