THE STATE VERSUS NICCI VAN ZYL
[SIMONS TOWN CAS 31/09/2023]

The above-mentioned docket, received on 5 November 2024 as well as the various WhatsApp communications between your W/O Van Greunen and Adv Swart, refer.

I decline to prosecute as there is no reasonable prospect of a successful prosecution in light of the absence of any evidence to counter the accused's version that she acted in self-defence.

The docket is returned herewith and I close my file.
