34. Is slaughterer competent _____
35. If more than 2 strokes – why _____
36. Does dressing of animal take place while life signs still showing _____
37. Is the area used for bleeding cleaned between each animal _____

Comments _____

Fatima was in charge. The set up was done very well. They allowed me to speak to all the slaughterers and carriers in their meeting and give them a run down on how to carry, to wait six minutes before dressing etc. They immediately slaughtered one sheep I found limping. Very compliant. They said they will only slaughter in one day.
