36. Does dressing of animal take place while life signs still showing _____
37. Is the area used for bleeding cleaned between each animal _____

Comments _____

I arrived at the facility and saw that sheep waiting for slaughter could observe the ines being slaughtered. I asked them to get something to obstruct the view which they did. They got a big blue piece of shade cloth and fastened it on the gates so the sheep waiting couldnt see the slaughter taking place.

The staff carried sheep upside down. I had to show the different groups how to carry sheep correctly. ...
