Warning Issued No Warning Number NA Follow-up action _____

Which days/times are the best to inspect? Animals sold throughout the year

Comments by Inspector:

I observed a customer wanting to tether the sheep's legs, I educated the customer on how to use a blindfold of which he was impressed not knowing the sheep would lay still. All the animals appear to be in fair Condition, water, food and shelter is available and the living environment is clean and dry, follow-up next week throughout the week
