Date:	2025-06-18
Time:	15:41
Inspector:	JASON PAGE

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-06-19
Comments:	This animal has matted fur around the legs and must be dealt with accordingly. A final warning to be left tomorrow if not yet complied with. If there is no compliance from the owner, the dog must be removed. This case is coming along since December 2024, therefore, we need to prioritize this matter to get it resolved.
