Inspector:	TREVOR RODNEY

Type:	EMAIL - RECEIVED
Follow-Up Date:	2025-06-14
Comments:	Photos received from respondent, via WhatsApp, as she was not home at the time of my inspection. She works during the day. She also claims that the tabby cats skin is like this every winter. I think we should follow-up tomorrow to get a better idea as the whether the cat has ever been to a veterinarian for a diagnosis and or treatment.
