Comments:	I reviewed the case. The owner never came forward to claim the dogs. The dogs were claimed by his brother, who was not willing to accept responsibility for the abuse. There was also no mandate by the owner for the brother to claim the dogs. The dogs were signed off for Pound to decide on adoption or PTS.
Captured By:	Case can be NFA until we have more informaiton regarding a suspect. JACO PIETERSE 2025-06-12 09:48
