Subject: Two unsterilized alsations - 20 rorke Rd, plumstead

Good morning to you

Please can you check the above-mentioned address out. These two alsations have no food ,no water , or shelter.

One shelter that leaks, they profess that they sleep in the garage it is nonsense
They leave at 6am and come home at 10pm every night.

The neighbour ends up giving food all the time. These people do not have the funds to feed any animals that come there.

These dogs are now barking continuously they are hungry. We have addressed this issues with yourselves a little while ago with previous animals they have had.

Please something concrete needs to be done about this problem.

Many thanks

Deoni
