Inspector:	MAGDALENE MARSHALL
Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-06-29
Comments:	Please assist by conducting a follow-up inspection at this property. The owner does not appear to be concerned about the dog's condition. A neighbour has requested that the dog be removed, but as it is an owned animal, we need to obtain the owner's consent. A warning should also be issued for failing to seek the necessary treatment for the animal.
