Subject: INSP213628 5 Pollux, Ocean View

Good Inspectorate,

Please check up on these dogs at 5 Pollux, Ocean View. INSP213628

We found one tied up in the front yard on a very short chain . Told the people to move him to the back yard in the sun. It was shivering from the cold.

The white and brown one looks sick and was in a fight with the brown one two days ago over food.

There are 3 dogs on the property. The one inside is alright and is loose, but to my opinion the white and brown one should be taken away. It's not looked after.

Please, find attached videos and pictures of the dogs.

Kind regards,

Trijntje de Jonge
