Inspector:	MAGDALENE MARSHALL
Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2025-06-18
Comments:	This is not an emergency case, so we can allow it to stand over until the 18th. The owner's main concern is wanting the animals removed due to the presence of elders on the property. I spoke to her this morning and explained that we were at this property in March this year, and at that time the area inspector found no concerns.
