Comments:	I went to tears to ask for a detailed vet report as discussed with chief Inspector Jaco, Mandy informed me as per the vet she can't remember much other than what's on the vet report she gave to us which is not much as the dog was discharged the same day from there hospital. The evidence presented also doesnt line up with the vets report. The vet is not able to give me a detailed report. I'm of the opinion the matter can be closed therefore this case can now be closed.
